## INDEPENDENT AUDITOR'S REPORT

To the Officers of  
Independence Volunteer Fire Department, Inc.  
Independence, Louisiana

We have audited the accompanying statement of financial position of the Rural Fire District No. 2 Current Restricted Fund of the Independence Volunteer Fire Department, Inc. (a non-profit organization) as of December 31, 2000, and the related statements of activities and cash flows for the two years then ended. These financial statements are the responsibility of the Fire Department's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As explained in Note 1, the financial statements being presented are only for the fund referred to above and do not include the assets, liabilities, and net assets and the revenue, expenses and capital additions and cash flows of the Independence Volunteer Fire Department, Inc. that are recorded in its Current Unrestricted Operating Fund. Accordingly, the accompanying financial statements are not intended to present the financial position of Independence Volunteer Fire Department, Inc. as of December 31, 2000, or its results of activities or cash flows for the two years then ended in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Rural Fire District No. 2 Current Restricted Fund of the Independence Volunteer Fire Department, Inc. as of December 31, 2000, and the results of its activities and cash flows for the two years then ended in conformity with generally accepted accounting principles.

Independence Volunteer Fire Department, Inc.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 11, 2001 on our consideration of the Independence Volunteer Fire Department, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Respectfully submitted,

A handwritten signature in cursive script that reads "Durnin & James".

NOTES TO THE FINANCIAL STATEMENTS

As of and for the Two Years Ended December 31, 2000

INTRODUCTION

The Independence Volunteer Fire Department, Inc. (hereinafter referred to as the "Fire Department") is a Louisiana non-profit organization. Its purpose is to operate exclusively as a volunteer fire-fighting organization to provide fire protection and emergency response services in the Town of Independence and surrounding rural areas. The Fire Department is governed by officers consisting of a chief, a first assistant chief, a second assistant chief and three captains, each of which is elected by the membership. At the present time the Fire Department consists of 46 active volunteer firemen. The Fire Department maintains an office in Fire Station Number 1 of the Town of Independence and maintains equipment in two fire stations in the town.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The financial statements have been prepared on an accrual basis and in conformity with standards promulgated by the American Institute of Certified Public Accountants in its audit guide Audits of Certain Nonprofit Organizations and its Statement of Position 78-10.

B. FUND ACCOUNTING

The accounts of the Fire Department are maintained in accordance with the principles of fund accounting whereby resources are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund. Externally restricted funds may only be utilized in accordance with the purposes established by the source of the funds and are in contract with unrestricted funds over which the Board retains full control to use in achieving any of its purposes.

The accompanying financial statements present only the financial resources accounted for in the following fund:

The Rural Fire District No. 2 Current Restricted Fund represents revenue and expenses related to the operation of fire protection and emergency response services in the unincorporated rural areas surrounding the Town of Independence under the terms of an agreement between the Fire Department and the Rural Fire Protection District No. 2 of Tangipahoa Parish.

The accompanying financial statements do not include the assets, liabilities, and fund balance and the support revenue, expenses, and capital additions and cash flows reported in funds other than the Rural Fire District No. 2 Current Restricted Fund. Accordingly, the financial statements being presented are not intended to present the financial position of the Independence Volunteer Fire Department, Inc. as of December 31, 2000, or its results of operations or cash flows for

the two years then ended in conformity with generally accepted accounting principles.

The Rural Fire District No. 2 Current Fund is considered restricted because under the terms of the contract with the Rural Fire Protection District No 2 of Tangipahoa Parish these funds "shall be expended solely for the purposes of operating, maintaining and/or purchasing of equipment and supplies...and salaries if approved by Fire District No. 2."

C. SUPPORT AND REVENUE

Support consists primarily of contract payments received from Rural Fire Protection District No. 2 of Tangipahoa Parish in the form of ad valorem taxes, state revenue sharing funds and fire insurance rebate funds. The Fire Department receives a percentage of the total funds available to Rural Fire Protection District No. 2 based on formula contained in the original contract agreed to by all participating fire departments in Tangipahoa Parish. The ad valorem tax allocation is established in January of each year and disbursed by Rural Fire Protection District No. 2 on a quarterly basis. State revenue sharing and fire insurance rebate funds are disbursed to participating fire departments by Rural Fire Protection District No. 2 as the funds become available. As a result, ad valorem taxes and interest income is recognized as income in the period earned. State revenue sharing funds, fire insurance rebate funds and all other revenue are recognized as income when received.

D. CASH

Cash includes demand deposits.

E. INCOME TAXES

The Fire Department is nonprofit and exempt from income taxes under Section 501(C)(4) of the Internal Revenue Code. Therefore, no provision is made for income taxes.

F. FAIR VALUES OF FINANCIAL INSTRUMENTS

The Fire Department's financial instruments, none of which are held for trading purposes, include cash. The following methods and assumptions used by the Organization in estimating its fair value disclosures for financial instruments are:

Cash: The carrying amounts reported in the statement of financial position approximate fair value because of the short maturities of those instruments.

INDEPENDENCE VOLUNTEER FIRE DEPARTMENT, INC.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the Two Years Ended December 31, 2000

G. ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

H. STATEMENT OF CASH FLOWS

For the purposes of the statement of cash flows, all investments with a maturity of 90 days or less from the date of purchase are considered to be cash equivalents.

I. FINANCIAL STATEMENT PRESENTATION

The Fire Department has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Fire Department is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Fire Department is required to present a statement of cash flows. As permitted by the statement, the Fire Department does not use fund accounting.

J. CONTRIBUTIONS

The Fire Department has also adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made". Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

Demand Deposits	\$ <u>3,607</u>
Total	\$ <u>3,607</u>

3. RECEIVABLES

Total	<u>\$ 3,505</u>

5. CONTRACT WITH RURAL FIRE PROTECTION DISTRICT NO. 2

The Tangipahoa Parish Council (the parish governing authority) created Rural Fire Protection District No. 2 of Tangipahoa Parish (District) funded by an ad valorem tax to provide fire protection and emergency response services in the rural areas of the parish. The boundaries of the District include the unincorporated areas of Tangipahoa Parish.

The Fire Department adopted a resolution and entered into an agreement with Rural Fire Protection District No. 2 to provide fire protection and emergency response services in the unincorporated areas surrounding the Town of Independence. Funding is provided by an ad valorem tax and related state revenue sharing. Under the terms of the contract with the District, these funds "shall be expended solely for the purposes of operating, maintaining, and/or purchasing of equipment or supplies and salaries if approved by Fire District No. 2." Equipment purchased remains the property of the Fire District and is not recorded in the accompanying financial statements.

6. DONATED SERVICES AND FACILITIES

All of the Fire Department's program and supporting services are provided by volunteers. In addition, the Fire Department utilizes an office, two fire stations, equipment, paid firemen and various administrative expenses at no cost to the Fire Department. No amounts have been included in the financial statements for donated services or facilities since no objective basis is available to measure the value of such services and facilities.

7. FAIR VALUES OF FINANCIAL INSTRUMENTS

The estimated fair values of the Organization's financial instruments, none of which are held for trading purposes, are as follows:

**8. DEBT SERVICED**

The Fire Department services debt for various fire trucks in which it operates. The title and principal liability pertaining to the fire trucks remain with Rural Fire District No. 2 of Tangipahoa Parish. Therefore, no asset or corresponding liability is recorded in the financial statements of the Independence Volunteer Fire Department, Inc. Current Restricted Fund.

**9. DEFICIT IN NET ASSETS**

The Fire Department had a deficit in net assets at December 31, 2000 in the amount of \$13,067. The deficit is expected to be overcome by future revenues.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON  
INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To The Officers of  
Independence Volunteer Fire Department, Inc.  
Independence, Louisiana

We have audited the financial statements of the Independence Volunteer Fire Department, Inc. (a non-profit organization) for the two years ended December 31, 2000, and have issued our report thereon dated May 11, 2001. We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Independence Volunteer Fire Department, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance that is required to be reported under *Government Auditing Standards* which is described in the accompanying schedule of findings and recommendations as items 00-1.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Independence Volunteer Fire Department, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design

INDEPENDENCE VOLUNTEER FIRE DEPARTMENT, INC.

or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of management, the Louisiana Legislative Auditor and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

## FINDINGS AND RECOMMENDATIONS

INDEPENDENCE VOLUNTEER FIRE DEPARTMENT, INC.

CURRENT YEAR AUDIT FINDINGS

For the Year Ended December 31, 2000

FINDINGS AND RECOMMENDATIONS

COMPLIANCE

00-1

INCOME TAX RETURNS NOT FILED.

CONDITION

During our audit we noted that the Fire Department did not file a federal income tax return for 1999 or 2000. This condition was noted in the prior year audit report.

CRITERIA

Section 501(c) of the Internal Revenue Code provides that all nonprofit organizations with gross receipts in excess of \$25,000 annually, file a Form 990 or Return of Organization Exempt From Income Tax.

CAUSE

The cause of this condition appears to have been the failure of management to understand and adhere to the tax return filing requirements of nonprofit organizations.

EFFECT

By not filing the required annual income tax returns, the Fire Department is not in compliance with Federal law.

RECOMMENDATION

The Fire Department should review the tax return filing requirements for non-profit organizations and file an income tax return when required.

MANAGEMENT'S RESPONSE

In a letter dated May 25, 2001, the Fire Department indicated that it intends to review the tax return filing requirements for non-profit organizations and file an income tax return when required.
